

GIRAFFE IN LOVE OUTDOOR

4 metres

design Marcantonio

Love makes people crazy, everyone knows that. But what is going to happen when Cupid's arrow hits a 4-meters-high giraffe? Marcantonio's visionary sketches answered to that by creating Giraffe in Love, a dreamy giraffe holding a classic Marie-Thérèse style chandelier. Giraffe in Love Outdoor is a giraffe in the size of an authentic young giraffe, suitable for outdoor settings, thanks to the wind and water-resistant chandelier.
