marialva

armchair

my story...

MARIALVA armchair is the ultimate expression of glamour and timelessness.

It is the appeal to refinement and exclusivity. The MARIALVA armchair elevates traditional upholstery art as one of the latest art forms in luxury furniture.

The padding in capitoné style exposes the austere beauty of this piece, not compromising its extreme comfort and velvet softness. This is a very peculiar piece which stimulate the desire to complement your living room, or any other décor of your home.
