Product Features

Product Type

Pendant
Lamp

Environment

Interior

The most playful element of The Sininho Pendant Lamp is the possibility to change its direction to create your desired light effect. Suspended from the ceiling by an adjustable textile cord, this pendant will establish a dynamic atmosphere in your chosen environment. The Sininho Pendant Lamp has a clean minimalist silhouette, and the cork surface gives it a warm and appealing character. It's available in two cork finishes and four catchy colour options for the braided textile cord, producing a lamp that emits a soft and enjoyable ambient light.
