Bring a boost of joyfulness to any space with this statement furniture piece. The generously proportioned Tio is made from solid oak with contrasting white drawers. The recognizable beaks and pawns of ducks inspire the eye-catching design of the handles and legs, filling everyday life with fun while forming an extremely practical solution where usage is not secondary. This full of character end table reflects the unique, inimitable personality and spirit of Galula – it's 'fun-ctionality' at its best.
