Care Instructions

Taking care of cork furniture is easy. Simply wipe the cork with a dampened cloth and make sure to remove any remaining moisture or spills with a dry cloth so they don't leave stains. Keep your furniture out of direct sunlight, as it can be brutal for the cork. To maintain the beautiful finish on your cork furniture, we also recommend avoiding cleaners with chemicals or harsh abrasives. Additionally, keep in mind that hot, cold or moist items will react with the cork surface and can expand the cork grain so avoiding any direct contact is crucial.

Cork as a natural material is subject to variations, therefore every single product is unique.
