

NAUU

manuela

armchair

my story...

New York, L.A., Chicago, Toronto, Sao Paulo, Hong Kong, Shanghai, London...

Looking at the horizon from any of these cities, we see the magnificent outline of tall buildings that seem to touch the sky, with its thousands of windows. It was that fleeting glimpse that bring to us the inspiration for this armchair, whose many colors remind us that our differences should unite us, like we got them together in one piece.

By the way, MANUELA you know who you are!
