double one-seat sofa

my story...

The double chair LOVERS aims to be stylish and modern.

There is something deeply luxurious and old-fashioned in this double chair. Intricate details such as the traditional Portuguese tile and wooden cup holder, combined with straight and contemporary lines, will make this piece a very versatile decorative item in any space, whether it be a luxurious living room or an exquisite hotel hall.

The double chair LOVERS is certainly the right piece of furniture to complement the most luxurious and exclusive interiors.
